Scenic boat ride on Lake Bohinj can be an interesting complement to your vacation activities, exciting and educational adventure for the youngest or simply environment friendly mode of transport to the other side of the lake.

Boat trips for previously announced groups can also be organized outside the timetable. Tourist boat runs every day of the scheduled time. In case of bad weather Tourist boat is out of order in the low season (April, May, June, September, October) except on request. In July and August, the ship runs every day whatever the weather.
